Jumper's Knee Strap
Adjustable, comfortable, and lightweight. Relieves knee pain from jumper's knee, chondromalacia, patellar tendonitis and Osgood-Schlatter's disease. Improves patellar tracking and elevation by applying mild pressure on the tendon below the knee cap. Tubular insert provides focused, uniform pressure. China Sizing: Measure around leg, directly below kneecap. One size fits 10" - 17" (25cm - 43cm).
