

## McDavid

### Cowboy Collar Regular Neck Roll ▶

Combines a molded collar of resilient closed cell polyethylene foam and a padded vest. Wear with regular shoulder pads to help absorb shock by engaging the sides and back of the helmet, instead of the bottom like traditional neck rolls.

The Cool One

## Mueller Football Collar

Designed to be worn mainly by linemen, linebackers, and power running backs to provide protection around the helmet. Does not trap body heat like other collars, does not float around because it is bolted to the shoulder pad. Fits closer to the helmet than conventional collars. One size fits most (fits large youth through adult).
