IMPORTANT
 The AiR Helmet System must be checked periodically to see that proper air pressure is maintained for the air liner system. Many factors could affect the fit of the helmet, i.e. air temperature, altitude changes, haircuts, loss of headfat, horseplay and damage to the air valve resulting in puncture or leakage. It is very important that proper sizer selection and liner inflation be achieved and maintained for proper player fit, protection and comfort.

WARNING
 Do not strike an opponent with any part of this helmet or face mask. This is a violation of football rules and may cause you to suffer severe brain or neck injury, including paralysis or death. Severe brain or neck injury may also occur accidentally while playing football. NO HELMET CAN PREVENT ALL SUCH INJURIES. YOU USE THIS HELMET AT YOUR OWN RISK.

Important fitting, care and maintenance instructions are included with each helmet in an illustrated booklet. For additional copies, contact: Markwort Sporting Goods Company, 1101 Research Blvd., St. Louis, MO 63132 USA. Phone: 314.652.8935, FAX: 314.652.6985.
