Converts easily between strapless and strapped..

6401-A
Converts easily between strapless and strapped..

Ultra STC Convertible

Lightweight profile. Shock Transfer Core™ directs impact away from front teeth to the stronger triple-rooted molars. Air cushion spring-effect shock pads for comfortable jaw compression rate. Gel fit liner custom molds to teeth for a tight comfortable fit. Mora™ Performance Enhancement positions lower jaw down and forward as well as the tongue onto the roof. Convertible quick release tether allows mouthguard to be strapped or strapless.

7300-A Adult \$34.60 EA \$33.60 EA/6
7300-Y Youth

Gel NANO Convertible

Tough protective outside, soft comfortable inside. Monocoque Shock Frame vertical wall extensions shield teeth and protects the jaw against injury caused by front and side impacts. Gel fit liner custom molds to teeth for a tight comfortable fit. Upper and lower molar cushions. Mora™ Performance Enhancement positions lower jaw down and forward as well as the tongue onto the roof. Convertible quick release tether allows mouthguard to be strapped or strapless.

SHOCK DOCTOR Chin Straps

5130 new

5230 new

Ultra Carbon Chin Strap

Three component base provides multi-stage impact protection and stabilizes fit. Continuous, overlapping, reinforced no-slip chin straps provide strength and eliminate stress points in high and low 4-point helmets. Dual density, fabric covered EVA foam chin pad insert with three integrated memory foam zones is removable and washable. X-Static®, the Silver Fiber® antimicrobial fabric.
