AZ

Rechargeable Signal Horns

Use the same canister thousands of times. Simply recharge with any source of compressed air, including a gas station pump (uses standard Schrader valve). 100% ozone safe; will not harm the environment with dangerous gases or propellants. Performs in any temperature. Meets Coast Guard requirement of 120 decibels.

Rechargeable EcoBlast Sport w/Pump

Refills with air from compressor, bicycle or service station pump. Dozens of blasts per charge. Includes portable mini hand pump, used for outdoor safety and sports. Powerful 115 db sound with volume control, meets USCG regulations. Canada

EBP2

\$35.00 EA (10 pcs 10 lbs)

Air Zound 2 Rechargeable Bicycle Horn

The world's loudest bike horn has several new features: a variable volume control, a quick release clamp and a handy frame fastener strap for the air bottle. It is also 70% lighter and 60% smaller. Recharge w/any bike pump or compressor. Yields over 30 blasts or 80 gentle honks per charge. Canada
