LBALL-W

Eye Of The Football Trainer

No More Dropped Balls!

new

Develops stronger focus and proper catching technique. Blocks out distractions that affect a receiver's concentration on catching a pass. Trains players to focus solely on the eye of the football until ball is caught. Adhesive sticker for each end of a football. Easy to see two color pattern creates swirling target to capture a receiver's focus. Withstands inclement weather and rough play. Thin, does not alter texture of ball. Fits on different size footballs.

TC EOF-BW
