JUGS Lite-Flite® Practice Balls

Sponge-like texture makes these safe for indoor hitting without a batting cage. Players see a realistic throw or pitch. Players do not get stung if this ball bounces off their arms or body. Works in any JUGS pitching machine. Lightweight! Pitch to batters at normal hitting distance. Won't scuff gym floors or damage walls or bleachers.

Frozen Ropes Visual Mechanics Baseballs

VMBB-01
Dots

VMBB-02
Vertical

For hitting and pitching drills. Colored indicators improve seam recognition, increases the visual focus level in hitting drills, and reinforces the 'read before reacting' visual/physical process for top-level hitters. Eight different seam patterns provide the total seam patterns hitters see in game situations. To properly hit the ball the player must quickly read the red part of the ball. Provides an instant visual feedback for players and coaches. The balls are thrown or tossed with a standard 4-seam fastball grip. Players can create different seam patterns by changing grips. Pitchers can see their wrist angles and hand position on the ball at release. Leather cover. China

- VMBB-01 Red Dots \$6.00 EA \$5.00 EA/12
- VMBB-02 Single Vertical Stripe
- VMBB-03 Diagonal Stripe Left to Right
- VMBB-04 Diagonal Stripe Right to Left
- VMBB-05 Two Cross Swiss Style Stripes
