Power Trigger

The Power Trigger will help teach the secrets of successful hitting. Learn and develop a naturally strong and balanced swing, proper hand positions, weight distributions and optimal bat path. The hand and foot straps are made of soft nylon. They operate on a slide to obtain the desired size and fit any hand/foot size. Latex tubing is used to create the resistance. Tube length can be adjusted to fit any player's height. The tube tension promotes quiet hands and a balanced stance. The tube tension naturally postures the body to a strong hitting position. Used alone for instruction or during batting practice for real-time training.

PK PT-027 (was DH TRIGGER) **\$33.80 EA \$32.80 EA6**

The Power Bat™

MADE IN USA

Train the muscles most important to batting. Create muscle memory and lead arm extension. Secure the Power Bat to a fixed point in the dug-out or runway. Players can go through the motion of batting, and work on developing timing. Rubber latex tubing is attached to a molded plastic grip. Door strap and illustrated instructions are included. USA Medium Resistance (Red)

POWER GRIP WRAP

Perfect For Warm-Up
During The Game
And Building Hitting Skills

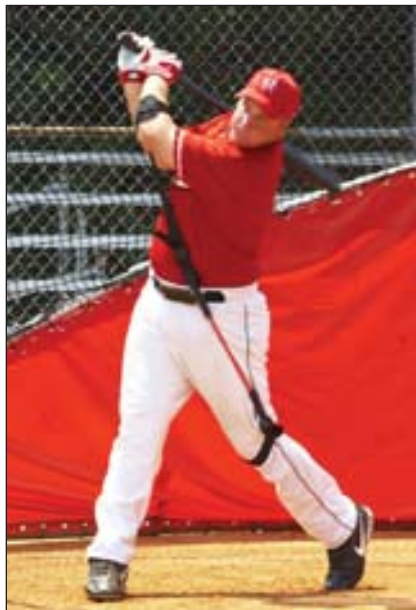

Bats not included.

Power Grip Wrap™

Training aid for swinging two bats at the same time. Wrap holds two bats side by side and twisted at the handles to create an equally balanced training tool. Warms up muscles. Increases bat speed as well as core and grip strength while maintaining swing mechanics. Teaches proper contact with ball, reinforcing top hand palm up and bottom hand palm down during contact. Identifies and builds balance awareness. Can be used with baseballs, tennis balls or wiffle balls. Can be used for soft toss drills from the side and front. Especially ideal for youth players to use instead of bat weights that weigh the bat barrel down.

Patent Pending

BU BUP001 Standard **\$30.00 EA**
BUP002 Youth **\$28.00 EA**

THE PITCHER'S NIGHTMARE Swing Trainer

Resistance-training hitting aid. Helps players develop power, greater bat speed, and proper hitting fundamentals. For use on-deck, at-home, and during batting practice. Teaches hitters to always stay inside the ball, how to get extended, how to fully finish their swing and how to keep hands back. Allows players to practice anywhere. Easy to secure hook in loop fasteners. Attaches to the backside forearm of the hitter and the outside of the backside knee. Invented by former professional baseball player, Chance Reynolds. Instructional DVD included.

LP PNST-A Adult **\$89.98 EA**
PNST-YTH Youth **\$89.98 EA**

Power Fins™

Work against air resistance (similar to swinging a bat in a swimming pool). Build swing strength, increase hand/bat speed, develop stronger wrists. Batting donuts have been found to do more harm than good, as they upset your natural swing process and the weight distribution of the bat. Swing mechanics are not altered with Power Fins. Slip the fins over the knob and handle of the bat. One size fits 2 1/4" barrel or larger barrels. Works on baseball and softball, youth league, high school and college bats. Assembly instructions included. This is not a toy. Power Fins is a training aid recommended for serious athletes. Weighs 14 oz. CS 24 pcs 36.37 lbs. UPC# 0 16562 10019 5 Taiwan

TY PF5

\$36.00 EA

Power Punch

Reinforces proper fielding and throwing mechanics. Helps to strengthen and position the lead arm of a batter while hitting a baseball. Helps eliminate 'Bar Arm' and quickens your swing.

Aids fielding skills by preventing laziness and keeps you down low to the ground. Trains catchers to keep arms in close to the body. Helps pitchers keep throwing arm at a 90 degree angle. Taiwan
