Premium Line Quad Net Pro Rebounder

PP

18-gauge steel 1.5" diameter tubing. Additional armor shell reinforces proprietary tube strength and creates clean finish. Easily assembled - no tools, screws, bolts, nuts or springs. Patented 4-sided netting and bonus net section. Angular design eliminates anchoring, will not tip over, and can be used from either side. For practicing ground balls, fly balls, throwing and other sports. Works with baseballs, softballs, basketballs, soccer balls and tennis balls. Can be shipped UPS. USA Full size: 68"H x 48"W

Oversize Box extra shipping charges apply.

Package size 24"H x 43/4"W x 48"L.
