

**Develop Pitch Location Skills**

**Endorsed by Club K**

### Strike Zone Home Plate

Help pitchers, hitters, catchers and coaches strategize on pitch locations. By defining the zones with colors, communication between players or between coaches and players becomes simplified and clear. Colors can also be used to code the strike zone vertically. Same dimension as a regular home plate. Can be placed on top of a plate or used on its own. Rubber construction. Can be rolled up and carried in the player's bag. Used in all levels of baseball and softball.
