Comes with two Tee Stackers, two attachment cords, mesh bag and instructions

Tee Stackers

Baseball and softball training aid for use with sturdy single and double batting tees for beginners and advanced players. Stack 2 or 3 balls on batting tee at one time. Enhances visual focus on the ball by practicing a different plane on each swing. Provides instant feedback. If you swing cleanly on the top ball, the Stacker slides off presenting the next lower ball ready to hit. If batter "tops" the ball the Stacker will compress onto the bottom ball causing the remaining balls to fall. Attachment cord locks around the Stacker so it will fall next to the tee to keep it readily available. Tee Stackers also fit together to position a single ball higher on the tee. Instructions with drills and mesh carry bag included.

Swing Plane Net

Visual training aid for bat path dry runs and tee usage to keep bat moving through the strike zone. Hangs on fence or mesh net. Stops back shoulder drop on high pitch or rise ball. Teaches short compact swing. Teaches awareness of strike zone on the high, middle and low swing planes. Ideal for on deck hitter warmup. Protects bat barrels. Lightweight. Portable. Durable. Indoor/outdoor use.
BH PLANE-NT \$19.98 EA

Swing Rite™ Tee

Batter adjusts the swing for real-life situations and aligns to the home plate in normal game positions. Unique 48 hole construction allows for regular and enlarged strike zones. Adjustable dual stems help hitting both inside and outside pitches. Reinforces hitting the ball out front and not on top of the plate. Tee's range 21 3/4" to 35 1/2" tall. Folds into easy compact 21" x 26 1/8" x 2 1/2" size with handle.

PRO-X Single Portable Batting Tee

Rigid, durable, compact, portable and functional. High density polyethylene and steel construction. Allows batter to train muscle memory by repeatedly swinging the perfect position. Telescopes between 24" and 40". DuraFlex tee top flexes on impact and outlasts regular rubber tees. Folding Xbase allows tee to fit in any bat bag.
