

Allows the operator to adjust pitch height for any type ball.

HBACKH

## Pro-Model Hands Back Hitter™

Place a ball on the launcher, load your hands back as you stride to landing on the firing cord. The ball appears in the hitting zone with you in the ideal position: hands back, foot down, hips leading to the ball. Includes twelve 6" plastic balls. Feel and teach how to load/coil your body as you stride to hit and the effortless power that comes from torque. Promotes balanced stride and faster bat speeds. Spring loaded power source allows use of balls of varying weights and sizes. Rigid steel construction. Instructional CD. Taiwan (Carton 4 pcs 49 lbs)

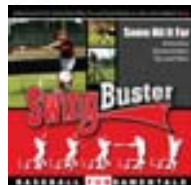

HBACKH (#00012) \$160.00 EA 12 lbs

HBH-TEAM (#00016) \$249.98 EA 15 lbs

SW

Youth Hands Back Hitter makes use of all size plastic balls from the golf ball mini size to 9 inch plastic balls.

With perfect balance and weight distribution, you can learn ideal rotational hitting axis.

Perfect for limited flight and situations that demand safety.

HBH-YM14

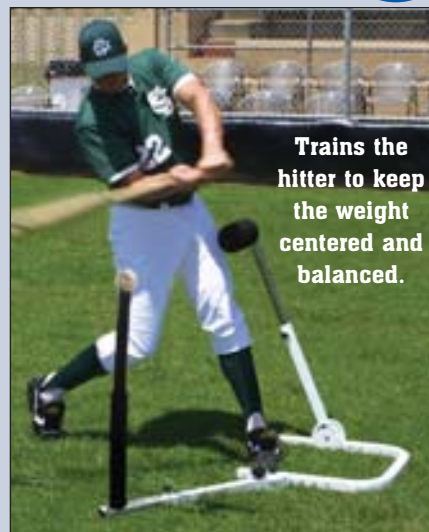

## Youth Hands Back Hitter™

Designed with the 8-12 year old in mind. Frame design is extremely user friendly for youth league age boys and girls. Includes training CD and six 9" plastic balls and an extra trigger string. Place a ball on the launcher, load your hands back as you stride to landing on the firing cord. The ball appears in the hitting zone with you in the ideal position: hands back, foot down, hips leading to the ball. Feel and teach how to load/coil your body as you stride to hit and the effortless power that comes from torque. Promotes balanced stride and faster bat speeds. Spring loaded power source allows use of balls of varying weights and sizes. Rigid steel construction. China (Carton 6 pcs)

HBH-YM14 \$66.00 EA 7 lbs

Safe Padded Frame

Trains the hitter to keep the weight centered and balanced.

Promotes balance, timing, and power mechanics through four-step process of load, set, pivot, and stroke. No more lunging or overstriding or being out in front on change-ups and curveballs. Makes teaching and understanding the rotational mechanics of the homerun swing easier. Replaceable tee. Converts to left handed easily and adjusts to any size player. Solid metal construction with padded frame. Indoor or outdoor use. Breaks down in seconds, very portable. Instructional CD included.

Taiwan (Carton 2 pcs, 43 lbs)

STAYBK (#00010)

\$200.00 EA 21 lbs

Retail Package

Promotes The Mechanics Of Load, Set, Pivot and Stroke

## Swing Buster™ Infini-Tee

Allows batters to practice with extreme low ball positions. Ball is held in a two point fixation. The ball can be struck on a diagonal swing path with no contact with the Tee using proper weight shift and body axis formation prior to the actual swing. (This product is not for beginners with minimal body control and hand to eye coordination.)
