TARGET

SKLZ® Target Swing Trainer

Effective one-on-one coaching tool. Horizontal hitter design provides feedback on each swing. Both batter and coach can instantly tell on contact whether the hit was a grounder, line drive or fly ball. Can be used in multiple positions for numerous drills, including switch hitting drills and drills for increasing power and controlling bat speed. Ideal for warm-up swings before games and practice.

Comfort grip handle. Optic ball is easy to see. Simulates virtually any type of pitch. Adult models feature "sight sleeve" and more padded grip. Adult supervision recommended.
