V-Grip™ Wood Baseball Bats

Made from the finest quality hard wood billets. Billets are hand selected and inspected by a Certified National Lumber Inspector.

MVAA- V-Grip™ Ash Adult Bat 32" 33" 34" Lengths **\$79.98 EA**
V-Grip™ technology promotes proper hand alignment for increased bat speed. Aligns the grain to ensure hitting the sweet spot. Hard wood Appalachian White Ash. Post catalyzed black finish. 2 1/2" diameter barrel, cupped. 31/32" diameter handle.

MVAM- V-Grip™ Maple Adult Bat 32" 33" 34" Lengths **\$99.98 EA**
V-Grip™ technology promotes proper hand alignment for increased bat speed. Aligns the grain to ensure hitting the sweet spot. Hard wood Canadian Rock Maple. Post catalyzed cherry finish. 2 1/2" diameter barrel, cupped. 31/32" diameter handle.

MVYA- V-Grip™ Ash Youth Bat 28" 29" Lengths **\$57.98 EA**
V-Grip™ technology promotes proper hand alignment for increased bat speed. Aligns the grain to ensure hitting the sweet spot. Hard wood Appalachian White Ash. Post catalyzed black finish. 2 1/4" diameter barrel. 15/16" diameter handle.

MVLV- V-Grip™ Lite Youth Bat 26" 27" 28" Lengths **\$39.98 EA**
Lightweight and specifically designed for the beginner T-ball or coach-pitch player. V-Grip™ technology promotes proper hand alignment for increased bat speed. Post catalyzed high-gloss black finish. 2 1/4" diameter barrel. 15/16" diameter handle.

MVTP-30 V-Grip™ V-Train Plus Bat 30" Length, approx. 38 oz **\$79.98 EA**
Designed for batting, soft-toss and tee practice. Ideal for batting cages and one arm hitting drills. Short, heavy design builds strength and promotes proper technique. V-Grip™ technology promotes proper hand alignment for increased bat speed. Aligns the grain to ensure hitting the sweet spot. Catalyzed high-gloss durable finish. 2 1/2" diameter barrel. 31/32" diameter handle.

MVTM-28 V-Grip™ V-Train Bat 28" Length, approx. 34 oz **\$79.98 EA**
Designed for batting, soft-toss and tee practice. Ideal for batting cages and one arm hitting drills. Short, heavy design builds strength and promotes proper technique. V-Grip™ technology promotes proper hand alignment for increased bat speed. Aligns the grain to ensure hitting the sweet spot. Catalyzed high-gloss durable finish. 2 1/4" diameter barrel. 15/16" diameter handle.
