

POWER FINS™ TRAINING AID

The Power of Resistance Training is in your Hands

Power Fins™

Work against air resistance (similar to swinging a bat in a swimming pool). Build swing strength, increase hand/bat speed, develop stronger wrists. Batting donuts have been found to do more harm than good, as they upset your natural swing process and the weight distribution of the bat. Swing mechanics are not altered with Power Fins. Slip the fins over the knob and handle of the bat. One size fits 2 1/4" barrel or larger barrels. Works on baseball and softball, youth league, high school and college bats. Assembly instructions included. This is not a toy. Power Fins is a training aid recommended for serious athletes. Weighs 14 oz. CS 24 pcs 36.37 lbs. UPC# 0 16562 10019 5 Taiwan TY PF5

Perfect Stride®

Learn proper swing fundamentals. Train to stay square and parallel with the rear foot all the way through the swing. Learn to stop from opening up the hips and shoulders prematurely, which pulls the head off the ball. Solve problems with overstriding, lunging to the ball and stepping out. Velcro® ankle strap attaches to back foot, and toe strap attaches to lead foot. Fully adjustable with plastic clip for quick removal. Taiwan
